

## 18. Airport Rides

Friends Of Internationals At USF gives you airport rides.

### Airport Rides

Friends of Internationals provides free airport rides for incoming international students, visiting scholars and family members at the beginning of the Fall and Spring semesters. This service is provided through our many wonderful community partners and volunteers. Because this is a free service and we are dependent on the availability of our community partners and volunteers, ride requests are filled by availability, not necessarily by order of receipt of your registration. We will do everything we can to fill your request, and if we are unable to find an available volunteer to pick you up, we will notify you within 4 days of your arrival and provide you with alternative arrangements.

***PLEASE NOTE: We are only able to arrange airport pickups at our local Tampa airports. If you are flying into another Florida city, unfortunately we will not be able to arrange a pickup for you. ALSO, we will only do drop offs on or near the USF campus. We cannot drop you off at locations that are out of this area. Thank you for your understanding.***

We look forward to welcoming you and meeting you when you arrive to Tampa and to USF!
